THE HOMESTEAD.

An Act to lay off the Homestead and Personal Property Exemption.

The General Assembly of North Carolina do enact, as follows:

SECTION 1. *Homestead, when and how exempted.*—Whenever the real estate of any resident in this State shall be levied on by virtue of any execution, or any other final process, obtained on any debt, such portion thereof as may be occupied by the owner as an actual homestead, and which he may then elect to regard as such, including the dwelling and buildings thereon, shall be exempt from such levy, except under an execution or other final process issued for the collection of a debt contracted

1. For the purchase of said homestead.

2. For such work and labor done for the owner of the homestead, as may constitute a laborer's lein.

3. For such labor done on the premises as may constitute a mechanics' lien.

4. For taxes accruing on said homestead.

SEC. 2. *Sheriff to summon appraisers.*—Before levying upon any homestead thus owned and occupied, the sheriff or other officer charged with such levy shall summon three discreet persons, qualified to act as jurors, to whom he shall administer the following oath: "I, A B, do solemnly swear [or affirm] that I have no interest, near, or remote, in the homestead exemption of C D, and that I will faithfully perform the duties of appraiser [or assessor, as the case may be,] in valuing and laying off the same. So help me God."

SEC. 3. *Duty of Appraisers.*—The said appraisers shall thereupon proceed to value the homestead, with its dwelling and buildings thereon, and lay off to said owner such portion as he may select, or any agent, attorney or other person, in his behalf, not exceeding in value one thousand dollars, and to fix and describe the same by metes and bounds.

SEC. 4. *Appraisers to make Return.*—They shall then make and sign in the presence of the officer, a return of their proceedings, setting forth the property exempted, which shall be returned by the officer to the clerk of the court for the county in which the homestead is situated, and filed with the judgment roll in the action, and a minute of the same entered on the judgment docket.

SEC. 5. *The levy to be made on excess.*—The levy may be made upon the excess of the homestead, not laid off according to the provisions of this act, and that the officer shall make substantially the following return upon the execution: "A B, C D and E F summoned and qualified as appraiser or assessor (as the case may be), who set off to X Y the homestead exempt by law. Levy made upon the excess."

SEC. 6. *Appraisers to elect.*—In case no election is made by the owner, his agent or attorney, or any one acting in his behalf, of the homestead to be laid off as exempt, the appraisers shall make such election for him, including always the dwelling and buildings ed therewith.

SEC. 7. That whenever any resident of this State may desire to take the benefit of the homestead and personal property exemption as guaranteed by article X of the Constitution of this State, such resident (or his agent or attorney) shall apply to any Justice of the Peace of the county in which he resides, and said justice of the Peace shall appoint as assessors three disinterested persons qualified to act as jurors residing in said county, who shall, on notice by order of said justice, meet at the applicant's residence, and after taking the oath prescribed in section two of this act for appraisers, before some official authorized to administer an oath, lay off and allot to the applicant a homestead, with metes and bounds, according to the applicant's direction, not to exceed one thousand dollars in value, and make and sign a descriptive account of the same and return it to the office of the Register of Deeds.

SEC. 8. That said assessors shall set apart the personal property of said applicant, to be by him selected, articles of personality not exceeding in value the sum of five hundred dollars, and make and sign a descriptive list thereof, and return the same to the Register of Deeds.

SEC. 9. That it shall be the duty of the Register of Deeds to endorse on each of said returns the date when received for registration, and to enter the same to be registered without unnecessary delay. The said register shall receive for registering the said returns the same fees that may be allowed him by law for other similar or equivalent services, which fees shall be paid by said resident applicant, or his agent or attorney, upon the reception of said returns by the Register.

SEC. 10. That if any person entitled to a homestead and personal property exemption, die without having had the same set apart, his widow, if he leave one, then his child and children under the age of twenty-one years, if he leave such, may proceed to have said homestead and personal property exemption laid off to her, him or them, according to provisions of sections seven and eight of this act.

SEC. 11. That when any person entitled to a homestead and personal property exemption, shall file his or her petition before a justice of the peace, to have the same laid off and set apart under the provisions of sections seven, eight, nine and ten of this act, the said justice shall make advertisement at the court house door of the county in which the petition is filed, notifying all creditors of said applicant of the time and place when and where the said petition will be heard; and the same shall not be heard, nor any decree made in the cause in less than six months nor more than twelve, from the day of making advertisement as above required.

SEC. 12. *Appraisal of personal property.*—Whenever the personal property of any resident of this State, shall be levied upon by virtue of any execution or other final process issued for the collection of any debt, and the owner, or any agent, or attorney in his behalf, shall demand that the same, or any part thereof, shall be exempted from sale under such execution, the sheriff or other officer, making such levy, shall summon three appraisers as heretofore provided, who, having been first duly sworn, shall appraise and lay off to the judgment debtor such articles of personal property as he, or another in his behalf select, to the value of five hundred dollars, which articles shall be exempt from said levy.

SEC. 13. *Return of the same.*—Return shall be made of such appraisal and setting off of personal property, in the same manner as is required in section four of this act, upon the laying off of a homestead exemption.

SEC. 14. *Who is to be Appraisers.*—The persons summoned to appraise the personal property exemption shall take the same oath and be entitled to the same fees as the appraisers of the homestead, and when both exemptions are claimed by the judgment debtor at the same time.

SEC. 15. *Tracts not contiguous, Included.*—Different tracts or parcel of land not contiguous, may be included in the same homestead, when a homestead of contiguous lands is not of the value of one thousand dollars.

SEC. 16. *Costs, how Charged.*—The cost and expenses of appraising and laying off the homestead or personal property exemption, when the same is made under execution, shall be charged and included in the officer's bill of fees upon such execution or other final process; and when made upon the petition of the owner they shall be paid by such owner and the latter cost shall be a lien on said homestead.

SEC. 17. *Liability of Officer.*—Any officer making a levy, who shall refuse or neglect to summon and qualify appraisers as heretofore provided for or who shall fail to make due return of their proceedings, or who shall levy upon the homestead set off by said appraisers or assessors (as the case may be) except as herein provided, shall be liable to indictment for a misdemeanor, and he and his sureties shall be liable to the owner of said homestead for all costs and damages in a civil action.

SEC. 18. *Liability of Appraiser.*—Any officer or appraiser or assessor (as the case may be) who shall wilfully or corruptly conspire with any judgment debtor, or other appraiser, or assessor (as the case may be) to undervalue the homestead or personal property exemption of such debtor, or shall assign false metes and bounds, or make or procure to be made a false and fraudulent return thereof, shall be liable to indictment for a misdemeanor, and shall be answerable to the judgment creditor for all costs and damage in a civil action.

SEC. 19. Any officer or appraiser or assessor who shall wilfully or corruptly conspire with any judgment creditor, or other appraiser, or assessor, to overvalue the homestead or personal property exemption of any debtor or applicant, or shall assign false metes and boundaries, or make, or procure to be made false and fraudulent return thereof, shall be liable to indictment for a misdemeanor and shall be answerable to the party injured for all costs and damage in a civil action.

SEC. 20. *Judgment creditor dissatisfied.*—If the judgment creditor for whom the levy is made, or judgment debtor, or person entitled to homestead exemption, shall be dissatisfied with the valuation and allotment of the appraisers or assessors (as the case may be) he may, within ten days thereafter, or any other judgment creditor, within six months, and before sale under execution of the excess, notify the clerk of the township thereof, and file with him a transcript of the return of the appraisers or assessors, as the case may be, and thereupon the clerk shall notify the other trustees of the township to meet him, at a time specified, within ten days, on the premises, to reassess and allot said homestead. At the time specified the trustees shall meet on the premises and having first taken the oath prescribed for appraisers they shall view and examine the homestead laid off, and make their report as required in section 24 of this act.

SEC. 21. *Who disqualified to act as Appraisers.*—If any trustee, or any person summoned as an appraiser, shall be related by blood or marriage, to the debtor, or judgment creditor, or shall be a party in interest, in any action against the former, he shall be disqualified to serve in the valuations of the homestead or personal property exemptions, and another person qualified to act as juror shall be summoned and qualified in his place.

SEC. 22. When the homestead or personal property exemptions is made or reallotted on the petition of the person entitled thereto, the township trustees shall make their report as required in section 20 of this act, to the register of deeds, specifying what changes, if any, they have made in the former valuation and allotment, who shall register the same, as required in section 9, and when said homestead and personal property exemption is made, or reallotted, under execution by a judgment creditor, the township trustees shall make said return to the clerk of the Superior Court, who shall file the same and make a minute thereof on the judgment roll and the execution docket.

SEC. 23. *Cost of Re-assessment how Paid.*—If the board of trustees shall confirm the former appraisal, or shall increase the exemption allowed the judgment debtor, the levy shall stand only upon the excess remaining, and the judgment creditors shall pay all costs of the re-allotment. If they reduce the amount allowed the judgment debtor, the cost shall follow the execution and the levy shall cover the excess then remaining.

SEC. 24. *How Vacated.*—Any appraisal or allotment by the trustees of a township may be set aside, on application of any party interested, for fraud, complicity or gross irregularity. The proceedings shall be by petition, as in other special proceedings, and the applicant shall give bond to the opposing party for costs and damages.

SEC. 25. *Fees.*—The following fees and no other shall be charged in this proceeding. Each appraiser for laying off homestead or personal property exemptions, or both, one dollar; officer for summoning and qualifying appraisers and delivering return, 50 cents; clerk, one dollar, clerk of Superior Court, for filing return and entering minute on execution docket, 25 cents; for making transcript for township clerk when required to do so, 50 cents; township clerk for summoning trustees, 50 cents; township clerk for transmitting return, 25 cents.

SEC. 26. *Acts repealed.*—All acts or clauses of acts in conflict with this act, or providing other means for the laying off of a homestead or personal property exemption, are hereby repealed.

Thuresday, June 3, 1869.

The Cuban Rebellion.

The request of Dulce, Captain General of Cuba, to be relieved, does not look as if he had made or was making much progress in suppressing the rebellion. Men seldom withdraw voluntarily from a successful career, and the desire of Dulce to get this Cuban embroglio off of his hands is the best and most authentic symptom we have seen of the formidable proportions which the revolt has assumed.

If Spain is persistent in her determination to crush the rebellion and the Cubans hold out, the beautiful island will long be the scene of the cruel atrocities which have always characterized the civil wars of the Spanish races. There must be something sadly deficient in international relationships, when all christendom is compelled quietly to hold its hands and look on as the butchery proceeds from year to year.

When these defects are remedied there will be some prospect of the dawn of the christian millenium.

Some of Sherman's Spoils.

A Washington correspondent of the Baltimore *Gazette* says:

Some of Sherman's spoils in his march to the sea were unearthed at the War Department on Friday last. They were received at the Treasury Department in June, 1865, and were contained in three large wooden boxes. The boxes were opened through the efforts of a United States Senator (some of whose constituents were supposed to be interested), and found to contain many valuable diamonds, pearls, necklaces, watches, ear-rings, bracelets and other costly and handsome articles of jewelry, as well as a very large amount of gold and silver plate, some of which is very old and had evidently been handed down from generation to generation in a Southern family of the old regime. One box contained a great quantity of costly wearing apparel for ladies, beside a large amount of Confederate notes and bonds and notes of [illegible]. There was also a small amount of gold and silver. The boxes are about the size of ordinary dry goods boxes, and the value of their contents is variously estimated at from $20,000 to $100,000. Many of the articles are stamped with the family crests, monograms or initials of the owners. It is not yet decided what disposition will be made of this property, and meanwhile the boxes have been secured to the vaults of the Treasury. Butler must look to his laurels.

This land is very fertile, a large portion of it is cleared, and the tract is susceptible of being made the best farm in Wake county. D. A. Wicker, Esq., acted as auctioneer, and the land was bid off by R. C. Badger, Esq., attorney, who we understand was acting for other parties, for $12,625.—*Standard.*

EARTH-BEAUTY.

BY L. B. H.

"He hath made everything beautiful in his time."—Eccl. iii. xi.

God look'd downward the six evening,
Over spreading and land and wood,
And, in voice of solemn gladness,
He declared them "very good."
And these words of benediction
Sounding from the sapphire throne,
Echoed past the glorious cloud veil,
Where, enshrined, th' Almighty shone;
Fell in celestial blessing,
Earth with tenderness caressing.

Lovingly did God look downward
On the happy, baby earth,
While the Eden flowers, rejoicing,
Clapp'd their tiny palms in mirth;
Though the shadowy cedars waving
Came the star-light trembling down,
And the sunbeams, for the mountains
Shap'd a royal, golden crown;
Heard He then, with love low-bending,
Grateful human praise ascending.

But the shadow of man's sinning,
Darken'd o'er the Eden light;
And the sentence, "Cursed forever!"
Doom'd Earth to a dreary blight;
But God, in His tender pity,
Promised to have mercy still,
Hope should with despair be blended,
Good should mingle with all ill,
Thistles should bear spirit-flowers,
Thorns be hid in rosy bowers.

So o'er men the sunbeams sparkled,
And the flowers way'd again;
And, in silvery chimings falling,
Dropp'd the pleasant summer rain;
Mountain-tops flung back, defiant,
From the Earth the lighting's lance,
While, above, the calm cloudlings
Circled in a mystic dance;
And men gather'd from this beauty
Thoughts of love, and God, and duty.

Precious things hath Earth to give us,
Kiss of mother, clasp of friend;
But all these, with deepest meaning,
To one Great Love ever tend.
If we love, so well and fondly,
We, the feeble and the base,
Dimly so, and dark, discern we
The sweet mystery of God's grace;
And we see the glow of heaven,
While Earth-beauty still is given.

SPECIAL NOTICES.

Science Advances.

As soon as an article purporting to be of utility has been tested, and its merits endorsed by public opinion, unprincipled parties endeavor to replenish their depleted purses by counterfeiting and substituting a spurious for the genuine article. Some time since, Mercury, in the disguise of pills, powders, &c., was given for all diseases of the stomach and liver, while quinine was freely administered for the chills. At length HOSTETTER'S STOMACH BITTERS made its advent, and an entire new system of healing was inaugurated. The beneficial effects of this valuable preparation were at once acknowledged, and mineral poisons suffered to sink into that obscurity to which an enlightened age has consigned them. There have been many spurious Bitters palmed upon the community, which, after trial, have been found perfectly worthless, while HOSTETTER'S has proved a blessing to thousands, who owe to it their restoration to health.

For many years we have watched the steady progress of HOSTETTER'S STOMACH BITTERS in public estimation, and beneficent effects as a cure for all complaints arising from the stomach of a morbid nature, and we are free to say that it can be relied upon as a certain relief and remedy. Its proprietors have made the above preparation, after years of careful study and sifting, and are now reaping the reward claimed by this valuable specific, and which they so richly merit. It is the only preparation of the kind that is reliable in all cases, and it therefore demands the attention of the afflicted.

THE PAIN KILLER
Is both an Internal and External Remedy.

THE PAIN KILLER

THE PAIN KILLER—
Don't fail to keep it in the house ready for use.

THE PAIN KILLER
Is an almost certain cure for CHOLERA, and has, without doubt, been more successful in curing this terrible disease than any other known remedy, or even the most Eminent and Skillful Physicians. In India Africa and China, where this dreadful disease is ever more or less prevalent, the PAIN KILLER is considered by the natives, as well as by European residents in those climates A SURE REMEDY.

ROCKBRIDGE ALUM SPRINGS.—We call attention to an advertisement in another column of the Rockbridge Alum Springs, in Virginia. The time is at hand when citizens will be seeking a summer resort, and here they will find it combined with the advantages of access to one of those fine mineral waters for which the mountain regions of Virginia is so famous. At John H. McAden's drug store, in this city, the water can be had and its virtues ascertained; but the pure air, the delightful soil, climate, and all the rich beauties of nature add to their effect when taken at the springs themselves.

A Greek, at Stamboul, recently had a dream that a vast treasure could be found in a certain hill, if a child were sacrificed to the guardian demon. He took his little daughter to the place the next day, beat her brains, and dug for the gold in high spirits until he was arrested.

An imposing demonstration of German working men is to take place on the 8th of June. The programme embraces a grand musical festival and orations, and a parade and pic-nic. Thirty-five societies have already signified their intention to participate in the parade.

A Texas paper says that though "courting can still go on, getting married is played out," there being no one authorized to perform the ceremony.

LARGE DIVIDEND OF INSURANCE.

The Piedmont Life Insurance Company, of Virginia, has

DECLARED A DIVIDEND OF

FORTY PER CENT.

on its Life Policies, which have paid two annual premiums, and the same is available on such policies at next renewal to absorb loans, or reduce such premiums.

The dividend could have safely been larger, but with the

PRUDENCE AND CAUTION

which has ever guided this company, it has deemed it proper to hold a surplus beyond the reserve fund.

The company is now only in the eighteenth month of its active operations—yet

HAS ISSUED 3,000 POLICIES

which is a success really remarkable, and far ahead of any company of like period in America or Europe; while its handsome dividend shows the economy of its administration, and the

Are the result of our Establishment having been in the successful operation during the last ten years, and have proved to be the best Fire-place Heaters manufactured and put in operation. They are getting to be generally used, often in the place of stoves, for heating the lower and upper rooms in dwellings and offices. Two on three Stoves heating the largest dwellings, and besides, are quite ORNAMENTAL and ILLUMINATING, having all the beauty and cheerfulness of an open grate fire, but are more ECONOMICAL, CLEANER, and RADIATING A LARGER AMOUNT OF HEAT. We would refer to thousands of families who have them in use.

We manufacture our own COOKING STOVES, and we guarantee them to be equal to any sold for *baking* and *cooking*. We have Stoves to take in *long wood* and with *large ovens*, and are *superior Stoves* for *baking*. We are getting out some new patterns of Cooking Stoves, that will burn *Bituminous coal, hard coal, or wood*. They will have a beautiful finish, and will stand among the No. 1 Cook Stoves. Our Cooking Stoves are Baltimore made, and we guarantee the plates. Our Cooking Ranges are pronounced the best and cheapest in the market. Baking of all kinds can be done in our Ranges as quickly and equally as well as in a Brick oven. We will manufacture S. B. SEXTON'S new patent Hot-Air Furnaces, warranted to burn from 30 to 70 hours with once filling.

Thankful to our friends and the public for their past favors, we solicit a continuance of their patronage.

CAUTION!
We desire to warn the dealers in, and consumers of snuff generally, that since the war, certain tobacco manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearance of our packages, and imitate our Trade Marks, so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far as to assert that "Lorillard's Snuff is no longer made."
In making this publication we desire to warn the public against the impositions practiced upon them; as they are the losers thereby. It will be found upon comparison that Lorillard's Snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of the many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if Salt Snuff (High Toast), or Fresh Snuff (Extra Scotch) is desired.
P. LORILLARD, New York.
